- Grant Recipients must provide photos of before, during, & after the project to Main Street of Perry.
- Grant Recipients must begin work within thirty (30) days of notification of Grant Award, subject to approval of delay due to extenuating circumstances in the discretion of the Economic Vitality Committee of Main Street of Perry. Unapproved project delays are grounds for voidance of grant award in the discretion of the Economic Vitality Committee of Main Street of Perry.
- Grant Recipients' use of funds, including timeliness of project, will be considered by Main Street of Perry in all future grant applications.
- The Economic Vitality Committee of Main Street of Perry reserves the right to conduct follow-up meeting(s) with the property owner and/or Applicant to discuss the proposed project, current or future use of the property, and outside funding and/or or volunteer work needed to complete the project.

The Economic Vitality Committee of Main Street of Perry will select Grant Recipients. The Economic Vitality Committee will award Grants by consensus in the Committee's discretion, considering each application on a case-by-case basis using a blend of highly discretionary and subjective factors. Examples of such factors include, but are not limited to the following:

- How long will the project take to complete? The Economic Vitality Committee has an interest in completing the project within one (1) year. If an Applicant's project appears to require more than one (1) year, the applicant is still encouraged to apply.
- What is the current condition of the Applicant's property? The Economic Vitality Committee has an interest in rewarding Applicants who already maintain their buildings in an attractive condition and have an interest in undertaking dramatic updates for buildings currently in a state of disrepair.
- Can the property owner contribute funds to the project? Ideally, an Applicant will contribute at least fifty percent (50%) of the funds required to complete the proposed project. However, all applications will be considered.
- What is the proposed project's estimated economic impact to our community? What is the proposed project's estimated impact to the quality of life in our community? What is the proposed project's estimated impact on the beautification of our community?

By submitting an Application for Exterior Improvements Grant, you agree to the terms and conditions above, including your agreement to acquiesce awards granted in the discretion of the Economic Vitality Committee of Main Street of Perry.
